REQUEST FOR MODIFICATION

Dear Judge Rodgers:

Amanda Curry appeared before Your Honor on March 20, 2014, and was released with pretrial release conditions.

Ms. Curry is in compliance with her release conditions, and is currently attending intensive outpatient substance abuse treatment.

Ms. Curry is involved in family court proceedings regarding her three children. Her oldest child is diabetic, and she is quite concerned about the medical care he is receiving while residing in his grandmother's home, however, the Court has yet to change the custody situation due to Ms. Curry's pending federal charges.

Ms. Curry is actively seeking employment, but has had difficulty obtaining employment due to the pending charges against her.

The defendant has requested mental health treatment in order to help her cope with her current circumstances. Please find the attached signed consent to modify conditions of release to include mental health treatment.
